

Smart Technology, Made to Care

Chime

Doorbell/Nurse Call/Place Anywhere Button

The Chime is a versatile, wireless button that can be placed anywhere to raise an alert. Use it as a bogus caller system, or thanks to its low-temperature protection and waterproof design, even as an external doorbell.

For shared living or care settings, the Chime can be paired with our Notifier and Orion range extender to create a sleek, cost-effective, fully wireless Nurse Call solution.
